

## Call for Proposals

The National Council for Osteopathic Research (NCOR) is announcing a call for proposals looking at four areas of interest. The funding for the potential projects has been provided by the General Osteopathic Council. The project areas are:

### **Proposal 1: Adverse events associated with physical interventions in osteopathy and relevant manual therapies.**

- Duration of project: 1 year
- Total budget available: £37500

### **Proposal 2: Communicating risk and obtaining consent in osteopathic practice**

- Duration of project: 6 months
- Total budget available: £7000

### **Proposal 3: Insurance claim trends and patient complaints to the profession's regulator**

- Duration of project: 1 year
- Total budget available: £18400

### **Project 4: Investigating osteopaths' attitudes to managing and assessing risk in clinical settings and patients' experiences and responses to osteopathic treatment.**

- Duration of project: 2 years
- Total budget available: £140000

See [further information on the progress of the studies](#)

### **The timeline for the proposals is:**

- **Tuesday 20 February 2007:** Announcement of call for proposals
- **Tuesday 1 May:** Closing date for outline proposals
- **Tuesday 8 May to Tuesday 22nd May:** Review of outline proposals
- **Tuesday 29 May:** Full proposals invited
- **Monday 20 August:** Closing date for full proposals
- **Wednesday 29 August:** Review of full proposals begins
- **Thursday 18 October:** Decision communicated to applicants
